**(b) Describe any record evidence, monument evidence, occupational evidence, testimonial evidence or any other material evidence you considered, and whether the monument was found or placed.**

I was unable to find the iron stake set by P.H. Hintze in 1911 and the 2" iron pipe representing the meander corner for the east 1/4 corner of Section 29 set by Arden Sandsnes as per River Place Plat in 1991. I set a 2" iron pipe with a brass cap from 3/4" solid round iron rods found on River Place Plat.
