RE: Request for Navigability Determination, for Koshkonong Creek tributary, located in the SE Quarter of the SE Quarter of Section 16, Township 8 North, Range 11 East, Town of Sun Prairie, Dane County.

Dear Mr. Kuehne:

I performed a navigability determination per your request on parcel number 058/0811-164-9500-1 in the Town of Sun Prairie. In Wisconsin, the Supreme Court has defined a navigable waterway as one which has a defined bed and banks and carries enough water to float a canoe or other watercraft during the spring high water periods. Based on this definition and the conditions observed at your site, the stream on your property has been determined to be navigable/public.

Chapter 30, Wis. Stats., permits are needed for work in and near this waterway. Information on these regulations and application materials are available on the DNR web site at www.dnr.wi.gov.

Certain activities may also require permits from Dane County and you should contact that agency before beginning any construction at this site.

If you have any questions about this determination, please call me at (608) 275-3481 or email wendy.peich@wisconsin.gov.

Sincerely,

Wendy Peich
Water Management Specialist
